OTHER SERVICE PROVIDERS FAMILIAR WITH HOUSE

Such as plumber, electrician, handyman, etc.

We used TP Howard for plumbing, but the plumbing was installed by another company we were not happy with after the build; on the electrical box there should be a list of contractors. I will call builder for this if I need to.

OTHER INFORMATION

Water is billed every few months as well as trash pick up. The gas and power bill can fluctuate due to the nature of weather here in the mountains. Typically neither are usually too expensive, but in the winter the gas bill will go up. Some things I am unsure of, but can contact Windsor, like the material of the pipes.
